~~SECRET~~  
CIA HISTORICAL REVIEW PROGRAM  
RELEASE IN FULL 1998

LA-541-64

18 December 1964

SUBJECT: Harry Dean  
18101 Atina Drive  
La Puente, California

1. On 17 Dec 64, Robert Hayward, KTTV-TV/Los Angeles, telephoned the LAFO on the published number. He had been in contact with the LAFO once before, in 1959 when he was in a film production venture in the Philippines, and had proffered his services. There has been no personal contact.

2. Hayward explained that he is the producer of the Joe Pyne Show, a weekly, Saturday evening local personal interview program that attracts do-gooders, missionaries, repentant sinners, con men, manufacturers of suitless bathing-straps, etc., ad infinitum. A guest is cajoled, abused, thanked or just tolerated, as the nature of his presentation, the approval or indignation of the viewing public or the whim of Joe Pyne may dictate. Pyne, incidentally, is supposed to be a WWII USMC disabled veteran.

3. The purpose of Hayward's call was to indicate the scheduled appearance of subject on the 9 Jan 65 show. According to Hayward, subject by his own statement had been an active pro-Castroite in Illinois prior to 1959, and had helped solicit money and arms. He subsequently, again his statement, was an informant for the FBI, and claims either to have had considerable contact with or at least knowledge of CIA activities re: Cuba. Hayward added that he was advising both this office and FBI-Los Angeles in the event either office had any suggestions or recommendations for the handling of the subject during the live broadcast.

4. Mr. Hayward was thanked for his thoughtfulness and discretion. He was advised, however, that the Agency could not presume to influence the communications media, to which Hayward replied that he was aware of this but by the same token he was in a position to steer, avoid, minimize or challenge what might appear in need of such treatment. He added that he was already in possession of some "documentation" of subject's, and that we were at liberty to examine it, if there was any interest.

5. It was explained to Mr. Hayward that we would, as a matter of course, report subject's allegations of Agency contacts or association to our headquarters, but that his name was not known to this office, and that even if it were, we would have no comment. Nonetheless, we indicated appreciation of his thoughtfulness in alerting us to what might be uncomplimentary references.

6. Subsequently, Hayward's prior alerting of FBI-IA was confirmed by the local office which, of course, is directing notice both to the Bureau and to the Chicago Field Office. Their local office and ours are agreed that Hayward's motivation is very likely to be at least as much an effort to elicit confirmation or comment, either directly or indirectly, as it is a volunteering to protect us.

## PURPOSE:

This recommends initiating investigation to determine if the man photographed by Central Intelligence Agency (CIA) when entering the Soviet Embassy, Mexico City, in October, 1963, is one [Harry Dean], [described as former Secretary of Chicago Chapter, the Fair Play for Cuba Committee (FPCC)] and as subsequently an anticommunist in Southern California. If the photograph is of [Harry Dean], we should determine why he entered the Soviet Embassy, Mexico City.

## BACKGROUND:

CIA has furnished us, for whatever action we deem advisable, a copy of a letter it received alleging that the photograph made by CIA of the man who entered the Soviet Embassy, Mexico City, (the letter mistakenly says Cuban Embassy) on the same day in October, 1963, when Lee Harvey Oswald visited that establishment, resembled one [Harry Dean].

The photograph in question was printed in a volume of the "Hearings Before the President's Commission on the Assassination of President Kennedy." It is discussed in the Report of the President's Commission. CIA furnished us the photograph at the time of the assassination as possibly being Oswald. It was not. It was this same photograph that was exhibited to Oswald's mother on 11/23/63 with the question of whether or not she knew the man. She did not, but after Oswald's death and Jack Ruby's arrest, she stated the photograph that had been shown her was of Ruby. Of course, she was incorrect. It was in this connection that the Commission discussed the photograph in its Report.

Memorandum to Mr. W. C. Sullivan  
 RE: ASSASSINATION OF PRESIDENT  
 JOHN FITZGERALD KENNEDY  
 [62-109060]

The individual photographed was never identified.  
 He apparently had no connection with Oswald.

Now [John S. Arvidson], in his letter to CIA, states the photograph resembles "in many ways one [Harry Dean]." [Arvidson] identifies [Dean] as having been the [Secretary of the Chicago Chapter of FPCC] and as subsequently known to him in Southern California as an anticommunist.

OBSERVATIONS:

If [Harry Dean] is the man in the photograph, we should conduct investigation to determine why he was visiting the Soviet Embassy, Mexico City, in 1963. Initially, we must determine what Chicago and Los Angeles have in their files on this [Harry Dean]. If we have photographs of [Dean], perhaps we can determine from them whether or not he is the man depicted. It is noted [Arvidson] states in his letter to CIA that he met [Dean] only once.

ACTION:

Attached for approval is letter to Chicago and Los Angeles initiating investigation of the allegation.

*S. G.*  
o FBI CONCURS that DEAN  
NOT identical w/UNIDENTIFIED  
PERSON IN WARREN COMMISSION  
Report.

Reference is made to your communication dated April 4, 1967, captioned "Warren Commission Report on the Assassination of President John Fitzgerald Kennedy" and to its enclosure, a copy of a letter to your Agency dated March 21, 1967, from John S. Arvidson.

LEE H. OSWALD 201-289248

Arvidson alleged in his letter that the photograph which was Commission Exhibit 237 and which he saw reprinted in the December, 1966, "Esquire" magazine resembled "in many ways" one Harry Dean.

It appears from the information furnished by Arvidson that the Harry Dean referred to by him is Harry J. Dean, the subject of FBI Identification Record Number 4657880. This individual was residing, as of December 6, 1966, at 2013 South Seventh Street, Alhambra, California, with his family. Three Special Agents of our Los Angeles Office are acquainted with Harry J. Dean, having previously interviewed him several times. Upon viewing the photograph which was Commission Exhibit 237, as well as the other photographs of the same man which you had previously furnished this Bureau, these Special Agents stated that in their opinion there is no likeness between the photographs of this individual and Harry J. Dean. This is for your information.

① O/HARRY DEAN'S POLICE RECORD AND CONTACTS  
WITH FPCCOMMITTEE.

By letter to the Director, Federal Bureau of Investigation, Washington, D. C., dated November 19, 1963, HARRY DEAN, 18109 Atina Drive, La Puente, California, stated (in part):

"Dear Sir: From approximately, July 22, 1960 to July 14, 1961, I was a member of the Fair Play for Cuba Committee, and also an officer of same. During this time I gave a great deal of information to F.B.I. Agents in Chicago Illinois....I used only the telephone method in all my dealings with Agents, only near the end of my activities...did I meet with them...At this time they began investigating me... Prior to hearings held on this front, by the Senate Subcommittee in July 1961, I was told to quite giving information to the F.B.I....The thing I would like to bring to your attention, with the hope of being cleared, is that, my name appears in Senate Subcommittee Report No. 96465 Part No. 2 Pages 84 & 85 as an officer of the Red Front (Fair Play for Cuba Committee.)"

In his letter, DEAN also referred to all of his efforts, adding that: "For our country, I would do any job, any kind, against all her enemies, foreign and domestic."

DEAN first contacted the Chicago Office of the FBI telephonically in August, 1960, without divulging either his name or address, to report that he had been elected Recording Secretary of the Chicago Chapter of the Fair Play for Cuba Committee (FPCC, cited below). Later that same month he again contacted the Chicago Office telephonically, disclosing his name, address (1540 Central Avenue, Whiting, Indiana) and occupation (self-employment as the Whiting Plastering Company), and furnished information concerning his connections with the FPCC and the leadership of its Chicago Chapter, adding that he would be amenable to an interview with a Special Agent of the FBI.

~~CONFIDENTIAL~~HARRY DEAN

Detective Captain EDWARD GRABOVAC, Whiting, Indiana, Police Department, advised in September, 1960, that HARRY DEAN, who had previously used the name GEORGE R. BAKER, and whose real name he believed to be GORDON HUNT, had left town, leaving in his wake an unserved warrant for his arrest on bad check charges. He identified DEAN as a self-employed plasterer. He added that he had learned from the Detroit, Michigan, Police Department that DEAN, the subject of FBI identification record No. 4657880, had previously been committed as a mental patient in 1948 in Canada, had once been sentenced to "One year indefinite" for breaking and entering at Chatham, Ontario, had been arrested by the Detroit Police Department once for disturbing a religious meeting and twice for using indecent and obscene language, and was shown to have been AWOL from the service at Fort Knox, Kentucky, in 1949.

DEAN recontacted the Chicago Office telephonically in December, 1960, to advise that he had been residing for the previous two months in Detroit, Michigan, and that he was then living in Chicago. He refused, however, to divulge his local address. Thereafter, he recontacted the Chicago Office on several occasions telephonically until June, 1961, furnishing information regarding Cuban nationals associated with the July 26th Movement (J26M, cited below) and persons associated with the FPCC. He was last contacted by two Special Agents of the FBI in Chicago on June 7, 1961, when he was told that his assistance was not desired. DEAN was described as a white male, American, age approximately 28 (1961), height 5'10", weight 195 pounds, athletic build.

FBI identification record No. 4657880, as of February 18, 1964, reflects the following information:

The report of Hearings Before the Subcommittee to Investigate the Administration of the Internal Security Act and Other Internal Security Laws of the Committee on the Judiciary, United States Senate, Eighty-Eighth Congress, First Session, Part 2, July 13 and 14, 1961" published by the U. Interviewed on December 10, 1963, HARRY DEAN advised that he was connected with the J26M as early as 1958, visited Cuba in June, 1960, and on his return to Chicago joined the FPCC at the instigation of one JUAN DEL ROSARIO and the then Cuban Consul in Chicago (since defected) JOAQUIN FREIRE. He also made available correspondence and literature concerning his past activities, and furnished photostats of the following items:

AVSA, CHICAGO

DEAN said that his connection with the J26M in Chicago beginning 1958 was through his association with JUAN DEL ROSARIO. He said that out of interest to see what was going on in Cuba he went there in June, 1960 (see Item IV of above); that while at the Miami Airport enroute to Cuba he accidentally met EDGAR SWABECK (cited below) who it turned

out took the same plane to Cuba; that SWABECK tagged along with him in the expectation of meeting Dr. ORTA of the Prime Minister's Office, but that ORTA only received DEAN, SWABECK being made to wait in an anteroom; that after this interview with ORTA both DEAN and SWABECK were interrogated by Cuban G-2 Officer FRANK VEGA as they were apparently under suspicion, but were shortly released. DEAN made available another list of names and addresses, not listed above, which included the entry "Sr. FRANK VEGA, pro-FIDEL and 26 Julio, G-2 of Havana, Reached - 578 Madison St., New York City 6." DEAN said that he learned about FRANK VEGA being in New York on one occasion when he visited EDGAR SWABECK's residence on Miramar Street in Los Angeles, and SWABECK mentioned it to him. It is noticed that the handwritten name and address "FRANK VEGA, Rel. Pub., INIT, Linea y A, Vedado, Habana, Cuba" appear on an official envelope of the Prime Minister's Office addressed to the "Instituto Nacional de la Industria Turistica, Linea y A, Vedado - Sub-Direccion Piso 14," which is reproduced on Items IX and XV.

DEAN said that after his return to Chicago, JUAN DEL ROSARIO and Consul JOAQUIN FREIRE told him "they" were organizing a pro-CASTRO movement and prevailed on him to meet others. He said that he complied with their request and recalls meeting JOHN ROSSEN at the first or second meeting of the new group. At the second meeting (apparently the last meeting referred to in Item VI), he said, it was FLORENCE CRILEY who made the suggestion that he be secretary of the Chicago Chapter of the FPCC. DEAN said it was at this second meeting that he noticed some obviously communist literature; and that it was about one week after this discovery that his associates in the FPCC were pro-communist that he called the FBI in Chicago. He claimed that it was only due to his removal to California that he terminated his contact with the FPCC and not because of the hearings of the Senate Internal Security Sub-committee (on July 13 and 14, 1961), although they were coincidental in point of time.

- 8 -

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~HARRY DEAN

DEAN said he was fully aware that his associations with the J26M and the FPCC were initiated and continued on his own volition. He said that he had never intended furnishing any information to the FBI for other than patriotic feelings and for that reason had never expected any money for his information and in fact never received any. He said that he had never considered himself to be an undercover agent of the FBI or as one authorized to act for it in any capacity and that he had never intended claiming any such relationship with it. He said that he was less concerned over the appearance of his name in the Senate Sub-Committee's report of the hearings on the FPCC in Chicago in July, 1961, than over the fact he had never been called upon to testify concerning the FPCC as he felt he could have effectively exposed the whole matter from personal knowledge and thereby have helped to ruin the FPCC. He said that he possibly might be concerned at some future time over an employment clearance but that he was presently suffering no jeopardy, working as a plasterer out of the Plasterers Local #2 in Los Angeles.

July 26th Movement (J26M)

The J26M is the revolutionary organization founded and led by FIDEL CASTRO, the present Prime Minister of Cuba. It was dissolved in late 1962 when it was absorbed into the Integrated Revolutionary Organization in Cuba along with the Communist Party of Cuba and the other principal political parties.

Fair Play for Cuba Committee (FPCC)

A source, who has furnished reliable information in the past, advised on June 20, 1963, that the Fair Play for Cuba Committee (FPCC) was formed in New York City in Spring, 1960, under the sponsorship of certain well-known pro-communists and "liberals" for the announced purpose of defending the "truth" about Cuba from distortion by Cuba's enemies. The "New York Times," dated January 11, 1961, reported that at a hearing before the

U. S. Senate's Internal Security Sub-Committee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as co-organizers of the FPCC in New York, and testified that he and TABER obtained \$3,500 from the Cuban Government which, along with \$1,100 collected from various supporters of the FPCC, paid for the full-page advertisement captioned, "What Is Really Happening in Cuba," placed by the FPCC in the "New York Times," dated April 6, 1960, which incidentally announced the formation of the FPCC in New York City.

201-274905  
A second source, who has furnished reliable information in the past, advised in October, 1960, that the Chicago Chapter of the FPCC was formed during the summer of 1960 under the direct guidance and leadership of RICHARD CRILEY, a member of the State Committee of the Communist Party (CP) of Illinois.

201-274905  
A third source, who has furnished reliable information in the past, advised in May, 1961, that the Chicago Chapter of the FPCC continued to exist with the same aims and purposes as before but under the direction and leadership of former Communists, members of the Socialist Workers Party (SWP) and pro-CASTRO supporters.

The CP and the SWP have been cited by the Attorney General of the United States pursuant to Executive Order 10450.

EDGAR SWABECK

201-758149  
A fourth source, who has furnished reliable information in the past, advised in 1961 that EDGAR SWABECK attended meetings of the Chicago Branch of the SWP on February 20, 1961, and April 23, 1961; of the North Side (Chicago) Branch of the FPCC on April 21, 1961; and of the Chicago Chapter of the FPCC on April 26, 1961.

The above-mentioned third source advised in 1961 that EDGAR SWABECK announced at the meeting of the North Side Branch of the FPCC on April 21, 1961, that he was leaving Chicago in the very near future and that it would be necessary to replace him as head of the branch's literature sub-committee.

A fifth source, who has furnished reliable information in the past, advised during 1961-1962 that EDGAR SWABECK was a member of the Los Angeles Local of the SWP and had attended 17 of its meetings between May, 1961, and May, 1962.
